

ANTI STALKING and BULLYING POLICY

THIS POLICY IS RETOROACTIVE JANUARY 1, 2010

DEFINITIONS

1. "Online Harassment" AKA "Cyberstalking" AKA "Online Abuse" AKA "Online Bullying" is the use of the Internet to repeatedly, unwantedly, and disruptively follow someone in order to gather information, initiate contact, make threats, or engage in other forms of intimidation.

2. "Chat box Harassment" using a website chat box, Forums, or other similar method to post messages in order to inflame other visitors of the OBG NETWORK SITE(s).

All OBG network users are to refrain from this kind(s) of activity including Cloaking or Hiding their real Assigned IP by their Internet Service Provider.

All Assigned Moderators and Administrators can use what ever blocking and messaging means to Detour the Harasser from continuing to cause such problems.

LAW AND TORT

Cyberstalking is a tort offense in many jurisdictions of the United States, including to varying extents, the following states: Alabama, Alaska, Arizona, California, Connecticut, Florida, Hawaii, Illinois, Oklahoma, New Hampshire, New York, and Wyoming. Interstate cyberstalking is also addressed under US Federal law. Some countries other than the USA also impose anti-cyberstalking law. These laws must be appropriately applied to all venues upon which real people can interact with each other.

OBG NETWORK SERVICE is based out of the State Of ILLINOIS. All End users will follow the Law IN ILLNOIS they can read it at <http://www.ilga.gov/legislation/ilcs/documents/072000050k12-7.5.htm>

All End Users Found by OBG to be Cyberstalking will be banned, and if they fail to permanently Cist and Desist after the 1st ban attempt they will be prosecuted under the Law

ACCOUT HOLDER RESPONSIBILITY

All End User Account Holders must cooperate fully with law enforcement once OBG determines that an End User has become a cyberstalker.

When a Cyberstaker hits an End User they are hitting the Company.

Here is what the Account Holder is to follow.

1. File any and all necessary reports with your local law enforcement
2. Make any necessary computers, files, backups Etc available upon Request or Subpoena
3. Anything Else that is Required by the police or Courts to Bring the cyberstaker to Justice

Cyberstalking is a Crime and WILL NOT BE TOLORATED ... ANY ACCOUNT HOLDER THAT REFUSES TO FOLLOW THIS POLICY WILL BE PROSCUITED JUST THE SAME AS THE STALKER!
